The Tableau Student Guide

Members of the Tableau Community have created <u>projects</u> that give you the opportunity to learn, practice, and apply your data skills across a variety of topics, products, and causes

Anyone can participate!

What is Back 2 Viz Basics?

The who, what, why, how, and when

The What

Tableauを使い始めるのは大変なことです。

正式なTableauやデザインのトレーニングを受けたことがない 方が、コミュニティで初心者のための優れたチュートリアルや、 取り組みを見つけることはとても難しいです。

Back 2 Viz Basicsは、Tableauを使い始めたばかりの 初心者を支援するためのコミュニティ・プロジェクトとして 誕生しました!

The Who

NEW USERS

- Tableauをダウンロードしたばかりですか?
- コミュニティは初めてですか?
- ビジュアライゼーション作成のヘルプが 必要ですか?
- 何から始めれば良いかわかりますか?

EXPERIENCED USERS

- Visionary/Ambassadorですか?
- Tableauを1年以上、3年以上、10年以上使用 していますか?
- 新しいことを始めたいですか?
- 新しい方法を試す準備はできていますか?

The Why

Tableauを学んでいるとつまづくことがあります。

Back 2 Viz Basicsでは、1つのテーマに絞って取り組む ことができます。

複雑で重い計算のダッシュボードを作る必要はありません。

WHEN IS CHERRY BLOSSOM SEASON IN KYOTO, JAPAN?

The cherry blossom, or sakura, is the flower of trees in the genus *Prunus* or subgenus *Cerasus*. "Sakura" usually refers to flowers of ornamental cherry trees. Sakura trees are often called **Japanese** cherry in English. Cherry blossoms have been described as having a beautiful smell, and are often the inspiration for candles and incense.

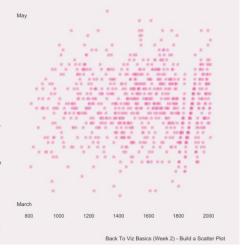

The cherry biossoms (sakura) usually bloom in the last week of March and the first two weeks of April in Kyoto (roughly between 20 March and 14 April). In an average year, the blooms peak on 1 April in Kyoto. Once they bloom, they are notoriously fickler sometimes almost all the trees will come into full bloom (mankai) at the same time and stay in full bloom for a week or even longer.

The sakura's meaning is also contradictory, it symbolizes both life and death, beauty and violence. As the coming of spring promises new life, so the blooming of cherry blossoms brings a sense of vitality and vibrancy. At the same time, their short lifespan is a reminder that life is fleeting. You will often see cherry blossoms as a significant symbol in Japanese culture, including in paintings, film, poetry, and literature.

Historically, they represented the brief, but colorful life of the samurai, warriors of feudal Japan. They lived by a strict moral code of respect, honor, and discipline — called bushido. Their duty was to exemplify and preserve these virtues and to be fearless warriors even in the face of death. Fallen cherry blossoms or petals symbolized the end of the samurai's short lives.

In Japanese folk religions, cherry blossom trees often signified agricultural reproduction. Originally, sa referred to a rice paddy god, and kura meant "a seat for a god." Japanese people believed cherry blossoms were dwelling places for mountain delies who transformed into the gods of rice paddles. Hence, people would travel to the mountains to worship the trees every spring.

The ritual of Hanami is a ceremony from Japan that celebrates the fleeting beauty of cherry beauty of cherry some some stream of the commonly known as "flower viewing" and is simply the ancient practice of gazing upon the flowers. In ancient times, farmers would pray, make offerings, and prepare a feast under the cherry blossom trees, believing it would bring an abundant harvest. These days, Hanami is an annual event everyone looks forward to. Come spring, family and friends gather for picnics and parties under the cherry blossom trees. They sing together, eat all kinds of food, and drink alcoholic beverages.

- 強調のために意図的に色を使用することに重点を置く
- 適切なフォントの種類、サイズ、配置を選択する
- グリッド線、罫線、軸、リファレンスラインなどの フォーマットを編集する
- データを理解し、傾向を視覚化する
- シンプルでクリーンなデザインにする
- コミュニティメンバーとして新しいことにチャレンジする

Ready for our LIVE Challenge?

30-minute vizzing session

Build to a Template

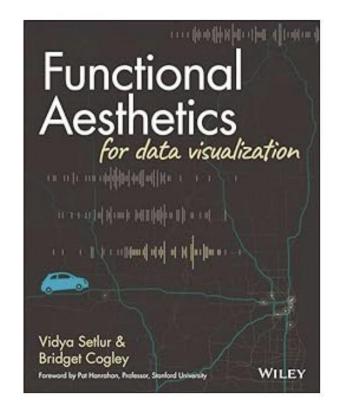

The Challenge – Build to a Template

今回のライブチャレンジでは、テンプレートを使って サンディエゴのレストランデータを可視化してください!

Thanks to Bridget Cogley & Vidya Setlur for designing and letting us use this template from their book.

The Challenge – Build to a Template

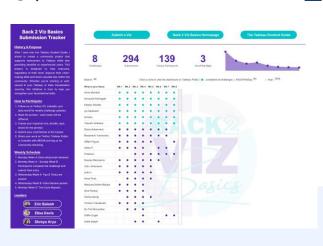

How to Participate - Regular Way

- 1. Data.Worldにログイン (アカウントがない場合は作成してください)
- 2. Data.World でBack 2 Viz Basics (@back2vizbasics) を検索&フォローします
- 3.2024 Tableau Conference Challengeを見つける
- 4. データをダウンロードし、Tableauに接続して Vizを作成します!
- 5. Tableau Publicにダッシュボードを公開し、 B2VB Submission TrackerでVizを投稿してください.

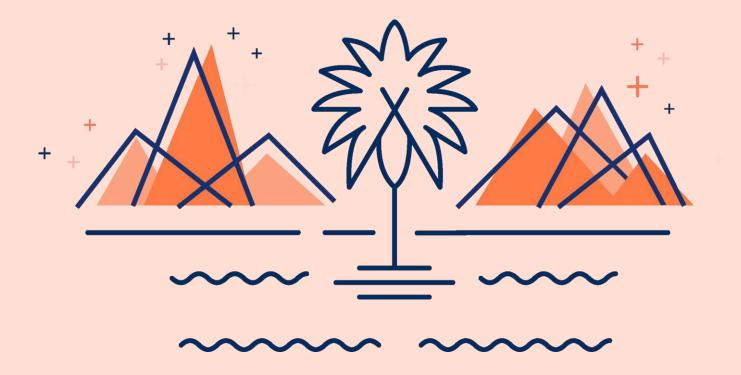

How to Participate - Conference Quickstart Way

- 1. Elisaの Tableau Public Profileを開きます
- 2. "#B2VB #Data24 Quick Start Design to a Template" vizをクリックします
- 3.ワークブックをダウンロードしてViz作成を 開始します!
- 4. 作成したダッシュボードをTableau Publicに公開し、B2VB Submission Traackerに登録しましょう。

Live Review

シンプルは複雑より難しいかもしれない

シンプルにするためには、思考をクリーンにするために努力しなけれ

ばならない

しかし、そこに到達すればどんなことでもできるようになるので、

最終的には価値がある
